## PROFILE

- Product Designer with a background in spatial design and visual storytelling, combining a strong understanding of aesthetics with user-centered problem-solving to create intuitive, accessible, and engaging digital experiences. Experienced in UX research, user flows, wireframing, prototyping, usability testing, and responsive UI design through academic and collaborative projects. Brings extensive professional experience in design development, client communication, and cross-functional collaboration, with a particular interest in creating thoughtful, culturally resonant digital products.

## CORE SKILLS

- UX Research & Analysis: User research, focus groups, user personas, user journey mapping, and usability testing.
- UX Design: Information architecture, user flows, task flows, wireframing, prototyping, and iterative design.
- UI & Product Design: High-fidelity interface design, interaction design, visual hierarchy, design systems, and cross-device design for mobile, tablet, and desktop.
- Responsive Web Design & Development: HTML, CSS, responsive layouts, and foundational front-end development.
- Design & Prototyping Tools: Figma, Maze, Adobe Illustrator, Photoshop, and Lightroom.
- Visual Communication & Branding: Visual storytelling, brand identity, color strategy, and presentation design.
- Project Collaboration: Cross-functional teamwork, design presentations, stakeholder communication, and project coordination.

## EDUCATION

**Diploma in Interactive Media Design** Sep 2024 – May 2026
Algonquin College, Ottawa, ON

**Bachelor of Arts in English** Sep 2008 – Jun 2012
Guangdong University of Technology, Guangzhou, China

## WORK EXPERIENCE

**Design Supervisor** Jun 2021 – Mar 2024
Citiking (Shanghai) New Material Technology Ltd., Guangzhou, China

- Translated product features into compelling design narratives and client presentations; guided designers in developing trend-driven visual concepts and pitch decks to communicate product value.

- Led design development from concept to market launch, collaborating with suppliers and factories to refine designs and maintain quality and consistency across deliverables.
- Delivered localized color trend insights for Color Road, RENOLIT, and CMG, using tailored case studies to communicate design trends and their market relevance to clients.
- Collaborated with sales and marketing teams to align branding and design strategies, strengthen client engagement, and improve product visibility.

**Interior Designer** Apr 2020 – Mar 2021
Dreams Design Co., Ltd., Guangzhou, China

- Developed creative concepts, produced layout plans, and co-created proposal presentations to effectively communicate design ideas; supervised visualization and technical designers to ensure accuracy and consistency of renderings and construction drawings.
- Selected and finalized decorative materials, prepared procurement lists, and ensured alignment with project requirements.
- Contributed to concept designs for hotels, supermarkets, offices, and villas, and independently managed a corporate office project from concept to final delivery, including client consultation, design documentation, presentations, and timeline coordination.

**Assistant Designer** Nov 2018 – Nov 2019
Sumu (Shanghai) Architectural Design Co., Ltd., Shanghai, China

- Assisted senior designers in developing creative concepts and technical designs for interior projects.
- Participated in project meetings, providing support in the planning and execution phases. Coordinated with external vendors and managed project documentation.
- Prepared presentation materials for client meetings, showcasing design solutions and ideas.

**Training Specialist** Nov 2013 – Jan 2016
Jabil Circuit (Guangzhou) Ltd., Guangzhou, China

- Developed and implemented online training modules to onboard new employees.
- Conducted in-person training sessions, ensuring team members understood company policies and safety standards.
- Played a key role in reducing onboarding time by 20% through optimized training processes.

**Department Secretary** May 2013 – Nov 2013
PwC Business Consulting (Shanghai) Co., Ltd. Guangzhou Branch, Guangzhou, China

- Scheduled meetings, travel arrangements, and expense reports for department managers.
- Supported department operations by maintaining records and preparing documentation.

## VOLUNTEER EXPERIENCE

**Community Volunteer - Tax Preparer** Mar 2025 – Apr 2025
Ottawa Chinese Alliance Church Tax Clinic (CVITP), Ottawa, ON

- Assisted low-income families and newcomers with accurate T1 tax return filing, providing both in-person and virtual support while maintaining strict confidentiality of sensitive information.
