PROFILE

- Highly motivated Interactive Media Design student who possesses a strong foundation in UX/UI design, web development, and photography. With diverse work experience in design and customer-facing roles, bringing excellent communication, teamwork, and problem-solving skills. I am eager to contribute to creative teams, develop impactful user experiences. Known for being adaptable, quick to learn, and committed to delivering high-quality results.

PROGRAM-RELATED SKILLS

- Detail-oriented and organized, delivering high-quality results in design and project management.
- Designed user-centered websites and mobile interfaces with a focus on accessibility and usability.
- Proficient in wireframing, prototyping, and responsive design using Figma, and experienced in developing web pages with HTML and CSS.
- Skilled in Adobe Illustrator, Photoshop, and Lightroom for posters, branding, photo editing, and visual storytelling.
- Created high-impact designs that combine storytelling, cultural narratives, and visual appeal.
- Expertise in portrait, landscape, and product photography, producing compelling photo stories integrated into design projects.
- Strong interpersonal and communication skills, honed through customer-facing roles and collaborative projects.
- Collaborative team player, demonstrated in group projects and professional work environments.

EDUCATION

Diploma of Interactive Media Design Sep 2024 – Present
Algonquin College, Ottawa, ON

- Relevant Courses: UX Design, Web Development, CMS, Photography, Digital Graphics.

Bachelor of Arts in English Sep 2008 – Jun 2012
Guangdong University of Technology, Guangzhou, China

- Courses: Cambridge BEC Business English, Intercultural Communication, Advanced Listening and Speaking, Management of International Enterprises, and more.

WORK EXPERIENCE

Design Supervisor Jun 2021 – Mar 2024
Citiking (Shanghai) New Material Technology Ltd., Guangzhou, China

- Promoted products to clients through design storytelling and user-centered presentations; guided designers to create trend-based visualizations and crafted engaging pitch decks that communicated product value effectively.
- Directed end-to-end design development from concept to market launch; collaborated with suppliers and factories to adapt and refine designs, ensuring quality and consistency across touchpoints.

- Delivered localized color trend insights (*Color Road*, RENOLIT & CMG); presented with tailored case studies, making complex design trends accessible and relevant to clients.
- Led cross-functional collaboration with sales and marketing teams to align on branding, improve client engagement, and strengthen product visibility in competitive markets.

Interior Designer Apr 2020 – Mar 2021
Dreams Design Co., Ltd., Guangzhou, China
- Developed creative concepts, produced layout plans, and co-created proposal presentations to effectively communicate design ideas; supervised visualization and technical designers to ensure accuracy and consistency of renderings and construction drawings.
- Selected and finalized decorative materials, prepared procurement lists, and ensured alignment with project requirements.
- Contributed to concept designs for hotels, supermarkets, offices, and villas, and independently managed a corporate office project from concept to final delivery, including client consultation, design documentation, presentations, and timeline coordination.

Assistant Designer Nov 2018 – Nov 2019
Sumu (Shanghai) Architectural Design Co., Ltd., Shanghai, China
- Assisted senior designers in developing creative concepts and technical designs for interior projects.
- Participated in project meetings, providing support in the planning and execution phases. Coordinated with external vendors and managed project documentation.
- Prepared presentation materials for client meetings, showcasing design solutions and ideas.

Training Specialist Nov 2013 – Jan 2016
Jabil Circuit (Guangzhou) Ltd., Guangzhou, China
- Developed and implemented online training modules to onboard new employees.
- Conducted in-person training sessions, ensuring team members understood company policies and safety standards.
- Played a key role in reducing onboarding time by 20% through optimized training processes.

Department Secretary May 2013 – Nov 2013
PwC Business Consulting (Shanghai) Co., Ltd. Guangzhou Branch, , Guangzhou, China
- Scheduled meetings, travel arrangements, and expense reports for department managers.
- Supported department operations by maintaining records and preparing documentation.

VOLUNTEER EXPERIENCE

Community Volunteer - Tax Preparer Mar 2026 – Apr 2026
Ottawa Chinese Alliance Church Tax Clinic (CVITP), Ottawa, ON
- Assisted low-income families and newcomers with accurate T1 tax return filing, providing both in-person and virtual support while maintaining strict confidentiality of sensitive information.
